CROSS STEAM™ Steam Iron SX 7470

Product data

- Powerful **2400 watts**
- **Cross Steam™ – soleplate:** Perfectly positioned steam vents, including **precision steam tip** allow effortless smoothing and care of your laundry in one go. The high performance soleplate made from scratch-resistant ceramics ensures easy and permanently frictionless ironing.
- **150 g/min steam burst** and **0-40 g/min variable steam power** for fast and gentle ironing
- **3-way safety shutdown** automatically shuts down the device when the iron has stood on the soleplate for 30 seconds, is laying on its side, or has been vertical for 8 minutes
- Drip Stop - drip protection prevents water spotting
- Vertical steam for easy ironing of curtains and hanging clothes
- Spray function
- 350 ml water tank enables a long, uninterrupted steam and ironing phase
- Suitable for tap water
- Built-in anti-calc and self-clean technology prevent limescale buildup
- Optimally shaped filling opening, including cup, for easy filling
- 2.5 m long textile cable with ball joint, wrapping option and clip
- Colour: Pearl Violet
